COMPLAINTS

It is always intended that we provide a first class standard of service. However, if you have any cause for complaint you should, in the first instance, contact the Managing Director of HMGL either in writing or by telephone using the contact details overleaf. Please be ready to give your client/policy reference. We have procedures in place to deal with any complaint and details of how we will deal with it are given below.

If we can resolve the matter straight away to your complete satisfaction we will do so. If we think that the complaint should more appropriately be dealt with by another firm we will inform you within five business days that the complaint has been referred to that other firm. (This might be because the complaint is about your insurers or the person who advised you rather than us).

If we cannot resolve your complaint immediately we will write to you and tell you so within five business days of its receipt. We will also tell you the

name of the person who is looking into your complaint and when you should expect to have a full reply.

You will normally receive a full response to your complaint within four weeks of making it. If, however, we need longer, we will tell you during the four week period and tell you why we need the extra time.

The written response that we will make to you will either:
Accept the complaint and offer compensation where appropriate, or other form of redress.
or reject the complaint and give full reasons why we are rejecting it.
or be a combination of both of the above.

If you are not happy with our response we will inform you of your right to take your complaint to the Financial Ombudsman Service.

The fact that we have these procedures in place does not affect any other right of action you may have.

FINANCIAL SERVICES COMPENSATION SCHEME (FSCS)

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim.

Insurance advising and arranging is covered for 100% of the first £30,000 and 90% of the next £20,000 so the maximum compensation is £48,000

For compulsory classes of insurance, insurance advising and arranging is covered for 100% of the claim, without any upper limit.

Further information about the compensation scheme arrangements is available from the FSCS.
